Clip of the day: Tanis "Losing My Mind"

Published by Number One Magazine

Today our editor is hooked on the video for "Losing My Mind", Tanis latest single. It's the "Clip of the day" and its something to listen to right away...

After the success of her single "Ce N'est Pas Moi" (Its Not Me), Tanis reveals a new title that's just as powerful. "Losing My Mind" is a hymn committed to

our plant and the environment. This new song can be found as part of her first EP *Blackout*, to be released this summer.
